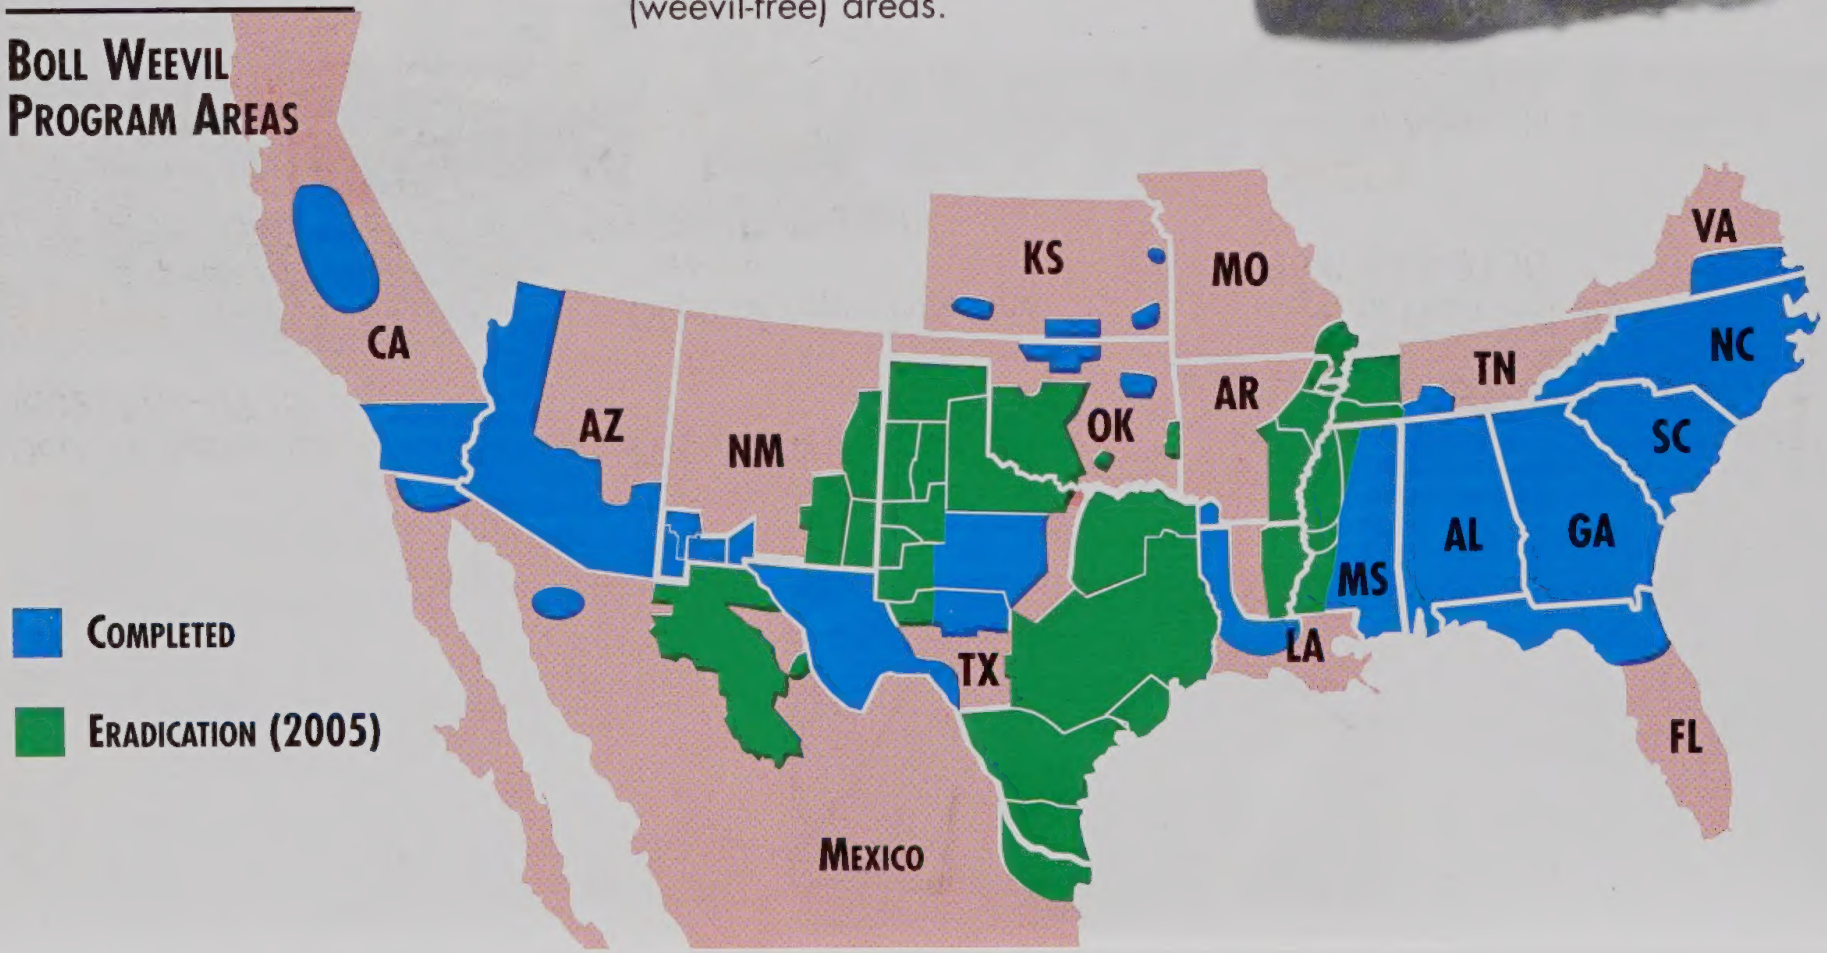
Don't Move Boll Weevils Back Into Eradicated Areas

U.S.D.A., NAL
AUG 0 1 2005
CATALOGING PREP

Your cotton industry, common sense, and State law make it important to keep weevils out of the **BLUE** areas shown on the map on this card.

Call your State plant protection official (below) for an inspection for boll weevils if you intend to move **used cotton equipment:**
From or through the **GREEN** (eradication) areas into the **BLUE** (weevil-free) areas.

Boll Weevil Program Areas



State Plant Protection Officials (Cotton States)

GEORGIA

NORTH CAROLINA

MOVING THE FOLLOWING IS REGULATED BY STATE LAW:

- used cotton equipment;
- the boll weevil, *Anthonomus grandis* Boheman, in any living form;
- cotton plants or plant parts;
- seed cotton; and
- gin trash.

Call your State office (numbers inside) **before** you move any of these items.

NATIONAL AGRICULTURAL LIBRARY

USDA

United States Department of Agriculture
Animal and Plant Health Inspection Service
Issued September 1996
Slightly revised June 2005

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, sex, religion, age, disability, political beliefs, sexual orientation, or marital or family status. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720–2600 (voice and TDD).

To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, Room 326–W, Whitten Building, 14th and Independence Avenue, SW, Washington, DC 20250–9410 or call (202) 720–5964 (voice and TDD). USDA is an equal opportunity provider and employer.
